

Key Stage 1 (Years 1 and 2)

Children begin their full-education in years 1 and 2, where social and academic skills continue to develop. They are offered a wide curriculum, including art and craft, swimming, P.E., cookery, drama, music and sports coaching. The family atmosphere encourages good manners, polite behaviour and social interaction between all ages.

The formal school day ends at 3.00pm, when the Stay 'n' Play scheme begins and children are supervised until 5.30pm, if required.
